

**Interaction with
Prof Nick Jones, Department of Mathematics
Imperial College of London
15th December 2015 (3:00 pm)**

Dr Nick Jones runs the Systems and Signals group in Imperial Mathematics. He is a mathematician-physicist with interests in the Natural world. His work involves topics in engineering, statistics and computer science.

He is also interested in topics in (bio)energetics, inference and their interface. His requires tools from stochastic processes, signal processing, network analysis, algorithmics and informatics.

Information about him can be got on his website
<http://wwwf.imperial.ac.uk/~nsjones/jones.htm>

Date: 15th December 2015

Time: 3:00 pm

Venue: Committee Room, 2nd Floor, Cluster Innovation Centre

You are all cordially invited for the interaction.
