NOTICE

Talk by Dr. Geetanjali Chawla on 28th August 2019

IQAC CIC is organizing a talk by Dr. Geetanjali Chawla, Welcome-DBT Intermediate Fellow at Regional Centre for Biotechnology on the topic "Extending healthy lifespan with dietary restriction and non-coding RNAs".

Date: 28th August 2019 (Wednesday)

Time: 4 pm

Venue: Seminar Room, 1st Floor, Cluster Innovation Centre

About the Speaker:

Dr. Geetanjali Chawla is Welcome-DBT Intermediate Fellow at Regional Centre for Biotechnology, Faridabad, India. She is a well-known researcher in the field of molecular biology and is working on Post-Transcriptional regulators of aging and dietary restriction. Dr. Geetanjali was a Ramalingaswami Fellow and prior to that she completed her post-doctorate at Howard Hughes Medical Institute, UCLA, USA.

She is going to talk on "Extending healthy lifespan with dietary restriction and non-coding RNAs".

All the faculty members and the students are cordially invited to attend this interesting talk.
